BAKAEI SCANLATION

Chapter 8

The Rebel Shadow Master 2

Message from Tora:

What a useless chapter, a waste of time @_@. I'm such an anti-fan...6 more chapters to go!! I can't wait~ I probably won't pick up another project right after completing this, because I would like to focus on speeding up Tenshi to Akuto!! releases. Or do AKB and Tenshi weekly. If I do decide to pick up another third project, I probably will need some input. So, stay tuned for a poll of series I'm considering!! And enjoy this filler chapter...

This shadow used to be human?
Gi...

You and Siva...
Yeah.
Call, you really aren't manipulating him?

Just what's your relationship, anyways?

Well, normally, it's impossible.

We're friends.
Call, this is Siva.
From today onwards, you'll be living together.
Siva, this is Cali.
Hey, Cali, why're you hiding!
Welcome to the Hanako House. Get along well.

He's my first...

YOU THINK² IT LOOKS INTERESTING.
'Sides...
It seems like what you said about Siva being your friend is true, but it's strange.
RIGHT, CALL!?
ALL OF THE OTHER BODY GUARDS RETURNED, AND OTHER THAN YOU TWO, NO ONE WILL PROTECT ME.
AH... BECAUSE IT'S DANGEROUS!!
It's the same anywhere, right?
Why are you riding with us over here?
Huh?

Chapter 8: Friend's True Intention

ウム
As expected of you, Call. There's a huge difference between you and that scatterbrain.
ウム
Well, Ben, both you and I have something to do in Pradera,
and thanks to Kanja, we're going there, so it's fine.
Oh... it's a town!!
G!!
I FOLLOW THE PRINCIPLE THAT DEBTS MUST BE REPAID!!
JUST WHO'S A SCATTERBRAIN!? YOU'RE A BASTARD WHO'LL SUDDENLY SWITCH PERSONALITIES AND BACKSTAB PEOPLE!!

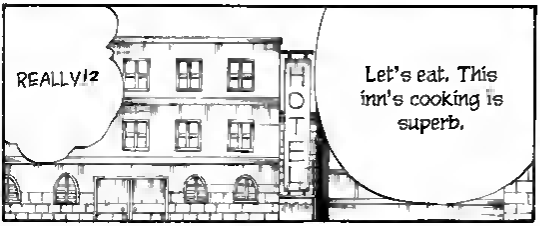
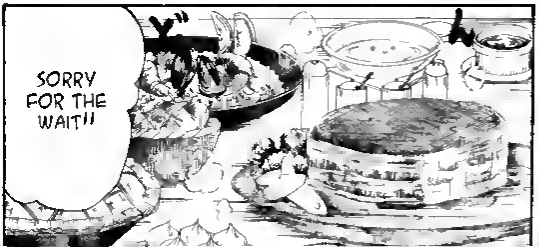
Siva was really bad at this, and would always mess up by breaking it.
It's a game where, using a sharp tool, you try to skillfully carve out the pastry's mold.
A type of pastry.
Die-cutting? What's that?





!!
!!
!!
Delicious~
LEAVE SOME FOR CALL!
HEY, BEN!! YOU'RE EATING TOO MUCH!!
It really is delicious, Mr. Kanja.
Kanja! You know some good shops!
Right? The flavor just melts away all the fatigue from traveling

You can make an "it's delicious" face, right?
See, it's delicious, right Siva!?
Giiii...
HEY, STOP IT!
Now, look here!!
Siva would definitely eat the food and show it's delicious.
G!?

ギー
You're like a piggy bank, that's cool~
Plus you're great! Since you're a shadow, we can put as much as we want in you
STOP IT!!

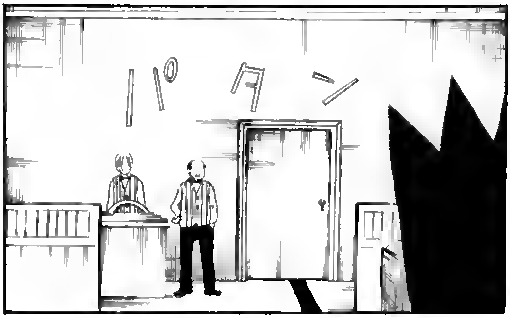
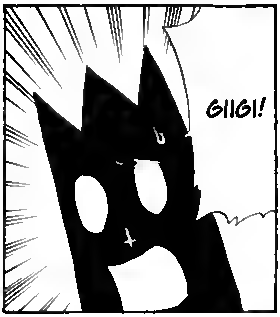
Mister, please give me the key
Sure— it's on the second floor.

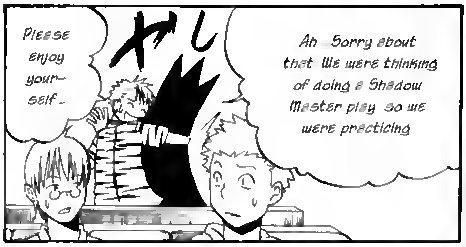
I'm heading back to the room.



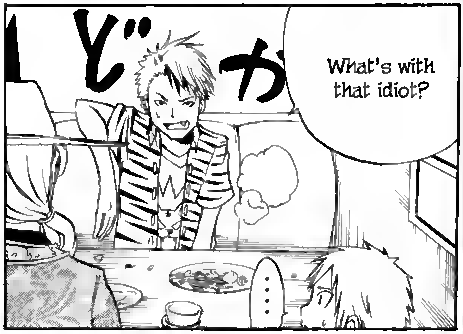
パタン



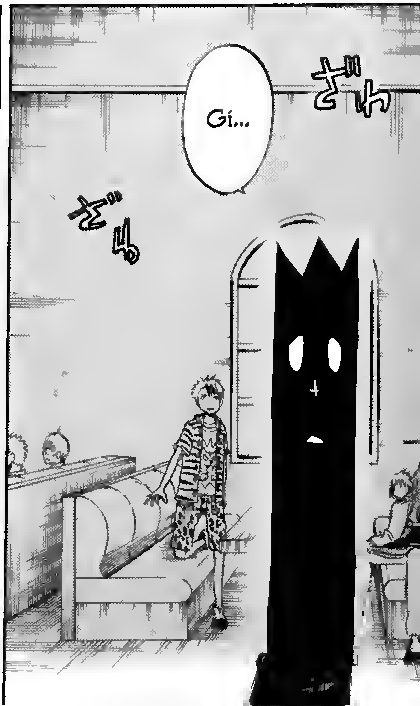
GIIGI!



Please enjoy yourself.
Ah... Sorry about that. We were thinking of doing a Shadow Master play, so we were practicing.



What's with that idiot?



Gi...

I might be wrong, but... maybe Mr. Siva doesn't have a sense of taste?
!?
Um...
Is that... how it is...
Siva...?
Haha... There's no way...
.....
While in front of Siva, who can't taste anything... although he would think it's delicious,
he felt bad for Siva...
Call was probably worrying about that.
.....
Sorry...

Gigigi giigigi gigigiigi gigigi giggigii

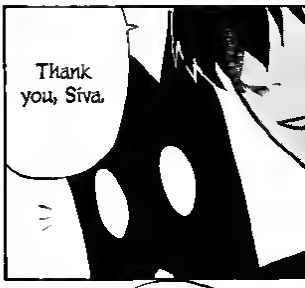
Alright!! How about we eat once more?
Sorry...
Siva, hurry up and sit down.
I'm so hungry.
In order for everyone to eat together, you made all this overnight!?
LET'S EAT!!

IT'S DELICI-OUS!!

After all...
From now on, I won't hold back.



Thank you, Siva.

We're friends!!
